

## **Outreach Ministry Report**

**In June, the Council proposed and a plan was approved on June 18 for an outreach ministry that has one annual theme under which many opportunities fall. Such a plan provides a broad array of ministry opportunities that fit well with the gifts and talents of our church members. Each month one or two group activities were listed for participation as well as ongoing opportunities members were involved in on a smaller scale. This all is separate from offerings to a particular charity or cause such as Covenant World Relief or the Salvation Army. Separate monetary offerings continue in the areas of Romanian orphanage offering, Covenant World Relief and support of specific missionaries.**

**The Council outlined the plan for each quarter.**

**The theme for 2006 was “Ministry to the Fatherless/Parentless”.**

**Following were the ministry emphases for the months of July through December.**

- **July - Mission work trip, 3 days, to Children’s Home in Cromwell, Ct.**
