

Saturday Women's Breakfasts

We meet once a month for breakfast and a time of friendship, food and fun. We rotate around to different homes and all bring treats to share with everyone. Attendance has been between 8 and 13 women.

There is usually an activity or focus event each month. In October we had a baby shower at Debra Douglas's home for the foster families in New Hampshire who receive newborns. In December we had an ornament exchange and in January an exchange of the odd Christmas gift!

The mornings are light and fun. Our activities center around us getting to know each other better and providing support and prayer. Our current schedule is to meet the second Saturday of each month at 8:30AM.
